

## EMEA Virtual Career Fair

Through our award-winning internship program, Abbott cultivates tomorrow's business leaders. At Abbott, up-and-coming professionals are exposed to innovative, science-driven products and professionals in the healthcare industry that can help them shape their careers.

**We welcome students to join the Abbott Europe Virtual Career Fair on April 27th, 2020 from 10:00-15:00 CET.**

This online space is dedicated to student-business exchange and is a first-step in the recruitment to Abbott's internship program. This innovative digital forum model will enable students to:

- Optimize time and resources: Allows students to meet our leaders wherever they are
- Have online chat with Abbott recruiters from 8 different countries across EMEA region
- Attend virtual information sessions on our businesses
- Access current Abbott Internship/apprenticeship opportunities
- Learn about what Abbott can offer for their career going forward
- Benefit from virtual sessions and online tools available on career development

We look forward to meeting students online April 27<sup>th</sup>.

Sincerely,

Abbott University Relations Team
