TUTOR

Passionate and driven **law student** with a proven commitment to **sustainability** and **environment**, excelling in both academic and international settings. Experienced in fostering **cross-cultural collaboration** and project management, adept at engaging with **national and international stakeholders**. Proven ability to thrive in **diverse environments**, leveraging strong **networking** and **communication skills** to promote global initiatives. Demonstrates dedication to **advancing sustainable practices** and green development worldwide.

PROFESSIONAL EXPERIENCE

Students' Tutor at University of Messina

University of Messina, Italy | Present

- I provide national and international students with information on several aspects of the university life. I am also involved in the management of law department's projects and in the issuing of career guidance events.
- Sometimes, I work on graphic design projects.

Director for International Relations

ELSA Italy | Present

I represent ELSA Italy in ELSA International network being ELSA Italy's National Board spokesperson

Sustainability Assistant

ELSA's team for law and sustainability | Sep 2023 - Aug 2024

I raised awareness on the importance of sustainability around the Italian network of ELSA by organising meetings, training sessions, events, etc dedicated to students.

Vice President - Professional Development

ELSA's team in Messina, Italy | Jul 2023 - Aug 2024

- My task was to put in contact young law students with professionals belonging to different fields of the law market.
- I also dealt with the local administration of the ELSA Traineeships (ET) programme.

Secretary General - Seminars & Conferences

ELSA's team in Messina, Italy | Sep 2022 - Jul 2023

- I supported the internal organisation and the bureaucratic affairs of ELSA Messina promoting mutual understanding and legal education of law students.
- In particular, I organised events on agricultural and food law, humanitarian law, sustainability and law.

Head of the Committee - Law and sustainability

ELSA's team in Messina, Italy | Feb 2023 - Jun 2023

- I arranged the realisation of the entire project: I planned the opening panel discussion on sustainability in international and national regulations and coordinated the practical laboratories on business, environmental and food.
- I supported the collaboration with the harbour authority of Messina and the research facility on transport law of the University of Messina for organising a formative moment on sustainability and transports. This event was part of the European Maritime Day campaign, of the European Commission.
- **Winner project of ELSA Italy's International Focus Programme Competition.**

EXTRACURRICULAR ACTIVITIES

- **Project manager:** I led groups of young people in planning two different projects for the development of my city. The first aimed to spread a common sense of respect for urban place through public cleaning events and conferences on urban environment, the latter dealt with LGBTQIA+ empowerment through art.
- Participant in ELSA Rome **legal research group** on environmental law;
- Participant in ELSA Messina's **law clinic** on a case of international child abduction;
- Participant in ELSA Italy's **essay competition** 2022 with a contribution on the relation between digitalization, environmental protection and sustainability.
- Participant in the local **Moot Court Competition**

VOLUNTEERING

I'm also involved in volunteering activities, concerning

- **human rights** (arranging film clubs and seminars)
- **environmental protection** (organisation of public cleaning events and beach cleaning)
- **LGBTQIA+ community** (I am Director for Health and Welfare at a local LGBTQIA+ association and I deal with STI testing campaigns and Relationships and Sexual Health Education projects)
