

NOTICE

CDS IN MEDICINE AND SURGERY A.A. 2019/2020

REGISTRATIONS OPENING

Following the publication of the national nominative ranking on the University website by the MIUR, the candidates "assigned and booked" to the University of Messina (UniME) must enroll, through an online procedure, by connecting to the link: <https://unime.esse3.cineca.it> starting from 9 October 2019 and until 11.59 pm on 14 October 2019.

The enrollment application must be completed exclusively via Web in all its parts (hand delivery of the paper registration to Students Services Office secretary is NOT required).

The scans of the following documents must be uploaded not later than 14 October 2019 , 11.59 pm:

1. dated and signed registration application;
2. copy of a proper identification document;
3. copy of the fiscal code.

After this deadline, the online procedure will be closed and those who did not completed the enrollment will be considered as renounced.

ALL CANDIDATES (assigned and booked) meaning to enroll at UniME must register in advance on the University portal (link: <https://unime.esse3.cineca.it>) as follows: go on "Nuovo concorso" named "ESTERNI - in Medicine and Surgery". Only after these tasks, candidates will be able to proceed with the online enrollment in the way above described in time until 11.59 pm on 14 October 2019. After this time the registration procedure will be closed.

"Assigned / booked" candidates who are already enrolled in another Study Course at UniME, wishing to carry out a " course change" must submit a copy of the request for passing to the "Medical-Health Area" Unit, duly endorsed by the first students services office, not later than 12.30 am on 14 October 2019.
