Corso di Studio Magistrale a Ciclo Unico in
"Medicine and Surgery"

Libraries

The Single Cycle Degree Course in Medicine and Surgery utilizes the services offered by the University Library System (ULS) to which the Libraries belong: University Hospital (Policlinico), Central, Annunziata and Papardo.

The "Giovanni Costa" Library of the University Hospital belongs to the ICS Medicine and Surgery and is located on the ground floor of the Biologic Tower (Building G). It features:

- 9 rooms for a total of 114 seats
 - 14 computer stations in a reading / multimedia classroom ;
- 1200 medical books
 - 338 texts belong to the "Pharmacology Fund";
 - 307 texts belong to the "Francesco Siracusano Fund"
- 600 periodicals (paper format).

The Library guarantees users the services and access to the electronic resources of the digital Library(<http://antonello.unime.it>) consisting of:

- Research service (integrated access to all University resources);
- Catalog;
- Electronic Periodicals;
- Databases such as Web of Science, Journal Citation Reports, SCOPUS, SciFinder Scholar, JStore etc.
- Electronic periodicals packages from the following publishers: American Chemical Society (ACS), American Institute of Physics (AIP), Institute of Physics (IoP), Elsevier- ScienceDirect, Wiley, Nature Weekly, Royal Society of Chemistry (RSC), distinguished journals such as BMJ (British Medical Journal), countless "Open Access" publications, including the biomedical area , which can be utilized by institutional users (teachers, researchers, PhD students, postgraduates, students, etc ...) both from the workstations available at the Library and from their own portable

devices, through the use of the Wireless Fidelity (Wi-Fi) technology available in the structure. In addition, the Library subscribes to the National Collective Archive of Periodicals (NCAP), which contains bibliographic descriptions of periodical publications owned by libraries located throughout the national territory;

- provides users, after identification and registration, with the consultation services of the bibliographic material possessed and readable on site;
- offers local loan and interlibrary loan (ILL) services (see the SBA Service Charter);
- provides its users with the "Document Delivery" service, that is, the supply of reproductions of documents, according to the laws in force on copyright. This service, carried out through the "NILDE" (Network Inter Library Document Exchange) platform, allows you to request and obtain articles and book belonging to other libraries for free with the commitment of mutual exchange and compensates for the unavailability of publications useful for research or thesis writing;
- provides users with consulting, information and bibliographic orientation services (references);
- with the support of the University Library System, Information Literacy laboratories oriented to the dissemination, education, knowledge and use of the library and its services are offered.

The Polyclinic Polo Library (tel. 090 2213692, Mail: biblioteca.medicina@unime.it) observes the following opening hours for students: Monday to Thursday from 9.00 to 17.30, Friday from 9.00 to 13.30.
