futuro sud

**The first call4project
for Southern Italy**

Ente Nazionale per il Microcredito

→ Next – Futuro Sud

Next – Futuro Sud is the first call4project of [Officina dell’Innovazione](#), the new **innovation hub** by [Ente Nazionale per il Microcredito](#).

The call goal is to **select 5 projects or startups** to access an acceleration program, which will bring new solutions in the strategic sectors of the Southern Italian economy: health and social assistance, logistics and goods, agri-food, construction, tourism and financial/insurance activities.

**We are here to create
the future of our territory.**

WILL YOU JOIN US?

Who can participate?

All those who are passionate about digital and innovation, startups and small businesses
