International Mobility: opportunities for student in Europe

Giuseppe Lucchese, Head of International Mobility Unit

Servizi agli studenti

UniME
since 1548

International mobility: why?

- Enhancing the competitiveness of the University system and establishing the European Higher Education Area
- Key factor for building a knowledge-based society
- Improve personal and professional skills (digital and learning skills) competences for effective learning
- Find a job quicker than non-mobile graduates
- Increase the overall Quality of the Degree programme (spill over effect)
