## Letterhead of the Foreign Research Body

- nothing is owed to the Host University, such as attendance fees for students already enrolled at UniME and admitted to carry out the activities of the Project
- nothing is owed by the Host University for all the personal expenses of UniME students for the relevant period of activities, including costs for visa, travel, food and accommodation
- -all UniME students involved in the activities scheduled within the present Project are insured by UniME against all accidents
- each student must be sure, before leaving, to have a valid and suitable Health insurance coverage;
- during the study period the student must abide by the internal regulations and disciplinary rules of the Host University
