HEAD LETTER

To Magnifico Rettore
Università degli Studi di Messina
Piazza Pugliatti 1 98100 Messina
rettorato@unime.it

Location and date

Innopolis, 16/03/2018

OBJECT: *Letter of intent between Innopolis University and the University of Messina to establish a collaboration on the PhD programme in "Cyber Physical Systems" - XXXIV cycle*

This letter of intent expresses the willingness of Innopolis University to participate to the University of Messina PhD programme in Cyber Physical Systems, XXXIV cycle. All details of such collaboration including specific terms and conditions, duration, administration of the programme, and covering the costs, necessary to support one PhD candidate, shall be determined between the Parties in a separate written agreement.

Kirill Semenikhin
Director
Innopolis University
