Subject: Horizon Europe (HORIZON)
Call: HORIZON-MSCA-2022-CITIZENS-01
Project: 101061190 — MEDNIGHT
GAP invitation letter

Dear Madam/Sir,

I am writing in connection with your proposal for the above-mentioned call.

Having completed the evaluation, we are pleased to inform you that your proposal has passed this phase and that we would now like to start **grant preparation**.

Please find enclosed the evaluation summary report (ESR) for your proposal.

Invitation to grant preparation

Grant preparation will be based on the following:

1. **Project:** 101061190 — MEDNIGHT
2. **Topic:** HORIZON-MSCA-2022-CITIZENS-01-01 — European Researchers' Night 2022-2023
3. **Type of action:** HORIZON Coordination and Support Actions
4. **Project officer:** Daniela RADU
MSCA and citizens, COFUND, Global Postdoctoral Fellowships

 Please always use the Funding & Tenders Portal messaging function (via your [Portal account](#)). Do NOT contact us via other means (email, letter, etc.) — unless explicitly asked to do so.

5. **Maximum grant amount:**

Requested EU contribution (according to proposal): 599 696.00 EUR

Maximum grant amount (proposed amount, after evaluation): 599 696.00 EUR

 Please note that the proposed amount may still be lowered during grant preparation.

6. **Project duration:** 20 months

7. **Grant preparation:**

Preparation of grant data & annexes: 2 weeks after receiving this letter

 The annexes (description of the action, estimated budget, etc.) must be based on the proposal you submitted and the clarifications provided (if any). You may normally NOT make changes to the project/project budget/consortium composition (except if required by us). Please immediately inform the project officer if you need to make a change (*e.g. bankruptcy, etc.*).

 Please be aware that your proposal may still need to undergo an ethics review or security scrutiny (and the results will then have to be implemented by you).

Once we have checked the information you have encoded, you will have 2 weeks to submit your final version — to bring it in line with our comments.

Declaration of honour (DoH): 2 weeks after receiving this letter

 Please note that each applicant should also submit a signed and scanned DoH for each one of their linked third parties.

Signature: within 1 month after receiving this letter (planned date)

 Please note that repeated failure to respect deadlines during grant preparation may lead to the rejection of your proposal (or a consortium member). Lack of cooperation will be taken to mean that you are no longer interested.

8. **Funding & Tenders Portal**

Grant preparation (including signature) will be done exclusively through the Funding & Tenders Portal electronic exchange system (login via your [Portal account](#)). Do NOT contact us via other means (email, letter, etc.) — unless explicitly asked to do so.

Please be aware that linked third parties (if allowed) must be registered and validated as legal entities in the Portal [Participant Register](#).  Register them immediately, if not already done.

Please note that some of your legal and financial data in the Participant Register is read-only and can be updated only by a LEAR (via the Portal My Organisation(s) page). You will therefore be contacted soon to appoint a [LEAR](#) (unless you already have one).

9. **Other**

As described in the General Annexes, successful applicants established in a country in the process of associating to Horizon Europe will not be treated as established in an associated country if the association agreement does not apply by the time of the signature of the grant agreement. The signatures of the grant agreements in this call are expected at the latest by mid-April.

 The results of the ethics review are already available on the Portal (My Projects). Please be aware that the results may require action *before* signature of the agreement.

 For more information on grant preparation, *see the [Online Manual](#)*. You can refer to this document also for programmes other than H2020 since the procedures are very similar.

 Please note that this letter does **NOT** constitute a **formal commitment for funding**. The final decision on your project will only be taken at a later stage, since it depends on the finalisation of grant preparation and further checks which we still need to make (*for instance, financial capacity, non-exclusion, etc.*).

For calls with a limited number of proposals to be funded: If a call can fund only a limited number of proposals, grant preparation may be moreover be stopped if other proposals move up in the ranking after a successful evaluation review and re-evaluation procedure.

I would be grateful if you could inform the other members of your consortium (if any) of this letter.

For any questions, please contact us via your [Funding & Tenders Portal account](#).

Yours faithfully,

Fredrik OLSSON HECTOR
Head of Unit

Enclosure: Evaluation summary report (ESR)
