

UNIVERSITA' DEGLI STUDI DI MESSINA
DIPARTIMENTO DI SCIENZE VETERINARIE
DIREZIONE

Messina, 19 febbraio 2015
prot. n. 10454
Tit./Cl. II/9

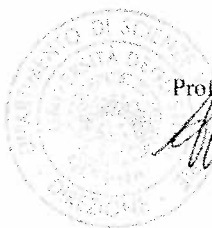

Dott.ssa De Salvo Flavia
Settore Segreteria del Senato Accademico

OGGETTO: Trasmissione stralcio verbale Consiglio di Dipartimento di Scienze Veterinarie del 19/02/2015 punto n. 6

Si trasmette, in allegato alla presente, per gli opportuni provvedimenti consequenziali, l'estratto del verbale del Consiglio di Dipartimento di Scienze Veterinarie, del giorno 19 febbraio 2015, punto n. 6

Punto n. 6: "Richiesta conferimento titolo Visiting researcher Dott. Carlo Siracusa".

Distinti saluti

Il Direttore
Prof. Antonio Panzianco

CONSIGLIO DEL DIPARTIMENTO DI SCIENZE VETERINARIE

Adunanza del 19/02/2015

Il giorno 19 del mese di febbraio dell'anno 2015, alle ore 16,30, si riunisce, nell'aula n. 8, il Consiglio del Dipartimento di *Scienze Veterinarie* dell'Università di Messina, regolarmente convocato *ad horas* con avviso del 18/02/2015 prot. n. 9913 Tit./Cl. II/9, per discutere e deliberare sul seguente ordine del giorno:

- 1) **Art. 20 Regolamento Generale: adempimenti;**
- 2) **Comunicazioni;**
- 3) **Consiglio CLM LM-42: approvazione verbale del 19 febbraio 2015;**
- 4) **Scuola di Specializzazione in "Ispezione degli Alimenti di O.A.": approvazione verbale del 28 gennaio 2015;**
- 5) **Criteri di afferenza dei Professori e dei Ricercatori alle nuove strutture dipartimentali e criteri d'incardinamento dei Corsi di studio (DR 30/12/2014): delibera d'indirizzo;**
- 6) **Richiesta conferimento titolo Visiting researcher Dott. Carlo Siracusa;**
- 7) **Ratifica decreti;**
- 8) **Progetto Horizon 2020: Ratifica adesione "call H2020-SFS-2015-2";**
- 9) **Autorizzazione ex tunc cofinanziamento personale dipendente: Bio4Bio PON 02_00451_3362376 (CUP B61C12000910005);**
- 10) **Approvazione bando per n.6 (sei) Tutor di affiancamento alla ricerca Bio4Bio PON02_00451_3362376 (CUP Formazione B68J12000360007);**
- 11) **Dott. Pietro Medica: Relazione attività scientifica triennio 2011-2014;**
- 12) **Prof.ssa Esterina Fazio: Relazione attività scientifica triennio 2011-2014;**
- 13) **Prof. Battesimo Macrì: Relazione attività scientifica triennio 2011-2014.**

e sul seguente punto aggiuntivo inviato con avviso del 18/2/2015 prot. n. 10016 Tit./Cl II/9:

- 1) **Comitato di Gestione Ospedale Veterinario Didattico: nomina componente studentesca (art. 7 del Regolamento dell'OVD).**

di cui viene proposto l'inserimento all'o.d.g. come punto 7)

Il Consiglio, unanime, approva.

L'o.d.g. della seduta, pertanto, è così determinato:

- 1) **Art. 20 Regolamento Generale: adempimenti;**
- 2) **Comunicazioni;**
- 3) **Consiglio CLM LM-42: approvazione verbale del 19 febbraio 2015;**

- 4) Scuola di Specializzazione in “Ispezione degli Alimenti di O.A.”: approvazione verbale del 28 gennaio 2015;
- 5) Criteri di afferenza dei Professori e dei Ricercatori alle nuove strutture dipartimentali e criteri d’incardinamento dei Corsi di studio (DR 30/12/2014): delibera d’indirizzo;
- 6) Richiesta conferimento titolo Visiting researcher Dott. Carlo Siracusa;
- 7) Comitato di Gestione Ospedale Veterinario Didattico: nomina componente studentesca (art. 7 del Regolamento dell’OVD);
- 8) Ratifica decreti;
- 9) Progetto Horizon 2020: Ratifica adesione “call H2020-SFS-2015-2”;
- 10) Autorizzazione ex tunc cofinanziamento personale dipendente: Bio4Bio PON 02_00451_3362376 (CUP B61C12000910005);
- 11) Approvazione bando per n.6 (sei) Tutor di affiancamento alla ricerca Bio4Bio PON02_00451_3362376 (CUP Formazione B68J12000360007);
- 12) Dott. Pietro Medica: Relazione attività scientifica triennio 2011-2014;
- 13) Prof.ssa Esterina Fazio: Relazione attività scientifica triennio 2011-2014;
- 14) Prof. Battesimo Macrì: Relazione attività scientifica triennio 2011-2014.

Essendo presente la maggioranza dei Componenti del Consiglio di Dipartimento, la Seduta è valida a tutti gli effetti.

Presiede il prof. Antonio Panebianco, Direttore del Dipartimento di Scienze Veterinarie e funge da Segretario prof. Salvatore Giannetto.

OMISSIS

6. Richiesta conferimento titolo Visiting researcher Dott. Carlo Siracusa;

Il Presidente ricorda all'On. Consiglio che già nell'adunanza del 16 dicembre 2014 - su proposta della prof.ssa Pennisi - era stato approvato l'accordo di collaborazione con il dott. Carlo Siracusa nell'ottica dell'internazionalizzazione, nonché dello stesso accreditamento EAEVE.

Alla luce di ciò il dott. Siracusa sarà presente in loco dal giorno 8 marzo al giorno 23 marzo e, nei giorni dal 9 al 18 terrà un ciclo di seminari presso il Dipartimento di Scienze Veterinarie.

Appare opportuno, quindi, richiedere al Senato Accademico il conferimento al dott. Carlo Siracusa del titolo di Visiting researcher, stante l'elevato livello di qualificazione certificato, tra l'altro, da diploma conferito da un college americano ed uno europeo. La presenza del dott. Siracusa sarebbe, inoltre, occasione di ampliamento e incremento quali-quantitativo delle attività cliniche attualmente svolte presso l'OVD, con maggiori opportunità per l'attività pratica svolta da studenti, specializzandi e dottorandi.

Il dott. Siracusa è diplomato dell' American College of Veterinary Behaviorists e dell'European College of Animal Welfare and Behavior Medicine; attualmente è Lecturer in Small Animal Behavior e Staff Clinician Animal Behavior presso il Department of Clinical Science - School of Veterinary Medicine of University of Pennsylvania. In precedenza ha svolto un dottorato di ricerca in Medicina Comportamentale presso la Facoltà di Medicina Veterinaria di Barcellona (Spagna).

Durante la sua permanenza svolgerà un ciclo di lezioni/seminari a carattere teorico-pratico relativi alla medicina comportamentale (nei giorni 9,10,11,12,13) e attività esclusivamente pratica presso l'OVD (nei giorni 17 e 18) rivolta a studenti del V anno, specializzandi e dottorandi.

A tal fine viene riportato qui di seguito il CV del dott. Siracusa.

PERSONAL DATA

First and Last Name: Carlo Siracusa

ID (PA): 30 994 958

Passport (Italy): YA6835151

Date of birth: January 2nd, 1974

Place of Birth: Catania, Italy

Professional Address: Department of Clinical Sciences, School of Veterinary Medicine,
University of Pennsylvania

City: 19104 Philadelphia

State: Pennsylvania, USA

Tel: 001 215 898 6681

E-mail: siracusa@vet.upenn.edu

Job title: Staff Clinician Animal Behavior

1. EDUCATION

Doctor in Veterinary Medicine (2002), Faculty of Veterinary Medicine, Università degli Studi di Messina, Messina, Italy. Grade: *Summa cum laude*

Internship (2003) at the HCV (Veterinary Clinical Hospital), Autonomous University of Barcelona, Bellaterra (Barcelona), SPAIN.

FELASA (Federation of Laboratory Science Association) Course on Laboratory Animals (2004). Faculty of Veterinary Medicine, Autonomous University of Barcelona, Barcelona, Spain.

Master in Veterinary Clinical Ethology (2005), Postgraduate School of the Autonomous University of Barcelona, Barcelona, Spain.

Master in Applied Ethology and Animal Assisted Therapy (2007), Postgraduate School of the Autonomous University of Barcelona, Barcelona, Spain.

PhD in Animal Medicine and Health (2009), Postgraduate School of the Autonomous University of Barcelona, Barcelona, Spain. Grade: *cum laude*

Veterinary Residency in Animal Behavior (2008-2011), approved by the American College of Veterinary Behaviorists (ACVB), Department of Clinical Studies, School of Veterinary Medicine, University of Pennsylvania, Philadelphia, PA, USA.

Diplomate of the European College of Animal Welfare and Behavior Medicine (ECAWBM – BM) (2012), Active Diplomate in the Behavior Medicine of Companion Animals sub-specialty, since January 29, 2012.

Diplomate of the American College of Veterinary Behaviorists (ACVB) (2012), Active Diplomate, since November 6, 2012.

2. EMPLOYMENT HISTORY

- 2002 (10 months): **Companion Animal Veterinarian** at Centro Veterinario Trinacria. Via Don Bosco 4, 95030 Gravina CT, ITALY
- 2003 (12 months - internship): **Veterinarian** at the HCV (Veterinary Clinical Hospital), Autonomous University of Barcelona. Campus UAB, 08193 Bellaterra (Barcelona), SPAIN
- 2004-2007: **Researcher** (PhD program) at the Department of Veterinary Medicine and Surgery, Autonomous University of Barcelona, 08193 Bellaterra (Barcelona), SPAIN
- 2008 (12 months): **Researcher** at the Animal Welfare and Human-Animal

Interaction Group, Istituto Zooprofilattico dell' Abruzzo e del Molise "Caporale" (Italian Veterinary Public Health Institution), OIE Official Collaborating Centre for Animal Welfare, Teramo, ITALY

- 2008-2011 (3 years): **Resident** in Animal Behavior at the **School of Veterinary Medicine – University of Pennsylvania**, 3900 Delancey Street, Philadelphia, PA, USA. Main duty: Clinical activity at the Animal Behavior Service of the Veterinary Hospital of the University of Pennsylvania (at least 70% of working time).

Current position (since November 2011)

Lecturer / Staff Clinician in Small Animal Behavior at the **School of Veterinary Medicine – University of Pennsylvania**, 3900 Delancey Street, Philadelphia, PA, USA.

Main duty: Head of Service of the Animal Behavior Clinic of the Matthew J. Ryana Veterinary Hospital of the University of Pennsylvania. Course Organizer and Lecturer in Clinical Animal Behavior VMED616 and Small Animal Behavior Clinic VCSP876. Lecturer in the courses Introduction to Clinical Veterinary Medicine VMED600, Small Animal Pediatrics VCSP641, Introduction to Shelter Animal Medicine VCSP652, Exploring the Human-Animal Bond VISR699. Program Coordinator and Instructor in the Specialty Internship focused on Small Animal Behavior and Residency in Animal Behavior.

Other duties: Research Supervisor for Interns' and Students' projects.

4. GRANTS AND R+D CONTRACTS

Grant for an **International Specialization in Veterinary Sciences**, Faculty of Veterinary Medicine, Università degli Studi di Messina, duration: 1 year, 2003.

PhD grant (FI2003-2007) of the Generalitat de Catalunya, Department of Veterinary Medicine and Surgery, Autonomous University of Barcelona, Spain, duration: 4 years, 2004-2007.

Grant for International Stays (BV2004) of the Generalitat de Catalunya; stay realized at PHEROSYNTHESE laboratories, Saint Saturnin les Apt, France, duration: 2 months, November – December 2004.

Grant for International Stays (2005 BE 00324) of the Generalitat de Catalunya; stay realized at the Animal Science Department – Adaptation Physiology Group, Wageningen University, Wageningen, The Netherlands, duration: 2 months, October - December 2005.

Grant for International Stays (2006 BE 00468) of the Generalitat de Catalunya; stay realized at the Centre for Animal Welfare and Paraveterinary Sciences (CAWPS), Department of Biological Science, University of Lincoln, Lincoln, United Kingdom, duration: 2 months: October-December 2006.

Grant for International Stays (2007 BE1 00197) of the Generalitat de Catalunya; stay realized at the *Centre for the Interaction of Animals and Society, University of Pennsylvania School of Veterinary Medicine, Philadelphia, PA, USA*, duration: 2 months: October-December 2007.

International Expert Consultant of the Animal Welfare and Human-Animal Interaction Group, *Istituto Zooprofilattico Sperimentale dell' Abruzzo e del Molise "G. Caporale"*, *OIE Official Collaborating Centre for Animal Welfare, Teramo, Italy*, duration: 1 year, April 2007 – March 2008.

CARF grant for the project Influence of Environmental Background and Behavior in Clinics on Diagnosis and Treatment Outcomes in Canine Behavioral Medicine Cases, *Department of Clinical Studies, School of Veterinary Medicine, University of*

Pennsylvania, Philadelphia, PA, USA, duration: 3 years, January 2013 – December 2015.
Principal Investigator: Prof. James Serpell.

5. TEACHING AND LECTURING

Teaching Experience in Higher Education

Lecturer on *Dog aggression: How to Detect and Prevent it. The Role of Veterinarians, Dog Trainers and Breeders.*, PhD program in **Veterinary Internal Medicine of Companion Animals**, Università degli Studi di Messina, Messina, Italy, 2005. Professor in charge: Maria Grazia Pennisi

Practicum Presenter in **Master in Clinical Ethology of Dogs and Cats (60-hour course)**, Università degli Studi di Torino, Torino, Italy. The practicum was carried out at the Faculty of Veterinary Medicine of the Università degli Studi di Messina, Messina, Italy, year 2005-2006. Professor in charge: Maria Grazia Pennisi

Practicum Presenter in **Veterinary Medical Pathology**, Clinic Veterinary Hospital - Veterinary Faculty, Autonomous University of Barcelona, Barcelona, Spain, years 2004-2005, 2006-2007. Professor in charge: Josep Pastor

Lecturer on *Euthanasia: Ethical and Psychological Aspects and Vet-Client Interaction*, **Veterinary Internal Medicine** course, Veterinary Faculty, Autonomous University of Barcelona, Barcelona, Spain, years 2004-2005, 2005-2006, 2006-2007. Professor in charge: Josep Pastor

Practicum Presenter in **Small Animal Behavior (clinic rotation, 12-15 hours per week)**, Veterinary Hospital of the University of Pennsylvania, School of Veterinary Medicine, University of Pennsylvania, Philadelphia, PA, USA, years 2008-2009, 2009-2010, 2010-2011 (current). Professor in charge: Ilana Reisner

Lecturer in the courses of **Small Animal Behavior** and **Shelter Medicine** (6 hours per academic year). Department of Clinical Studies, School of Veterinary Medicine, University of Pennsylvania, PA, USA, years 2009-2010, 2010-2011.

Lecturer on Canine Body Language, Canine Aggression to People, Veterinary Psychopharmacology in the postgraduate course on **Pathology and Clinics of Companion Animals** ("Scuola di Specializzazione in Patologia e Clinica degli Animali d'Affezione"), Faculty of Veterinary Medicine, University of Messina, Italy, December 20, 2010.

Course Organizer and Lecturer in the course of **Clinical Animal Behavior VMED 616** (18 hours). Department of Clinical Studies, School of Veterinary Medicine, University of Pennsylvania, PA, USA, years 2011-2014.

Course Organizer and Instructor in **Small Animal Behavior Clinic VCSP876** (clinic

rotation, 12-15 hours per week). Department of Clinical Studies, School of Veterinary Medicine, University of Pennsylvania, PA, USA, years 2011-2015.

Lecturer in **Introduction to Clinical Veterinary Medicine VMED600** (3 hours), Department of Clinical Studies, School of Veterinary Medicine, University of Pennsylvania, PA, USA, years 2012-2015.

Lecturer in **Small Animal Pediatrics VCSP641** (1 hour), Department of Clinical Studies, School of Veterinary Medicine, University of Pennsylvania, Philadelphia, PA, USA, year 2012-2014.

Lecturer in **Introduction to Shelter Animal Medicine VCSP652** (2 hours), Department of Clinical Studies, School of Veterinary Medicine, University of Pennsylvania, Philadelphia, PA, USA, years 2012, 2014.

Lecturer in **Exploring the Human-Animal Bond VISR699** (2 hours), Department of Clinical Studies, School of Veterinary Medicine, University of Pennsylvania, Philadelphia, PA, USA, years 2014, 2015.

Program Coordinator and Instructor (12-month program, full time), **Specialty Internship focused on Small Animal Behavior**, School of Veterinary Medicine, University of Pennsylvania, Philadelphia, PA, year 2012(-13).

Program Coordinator and Instructor (3-year program, full time), **Residency in Animal Behavior (ACVB approved)**, School of Veterinary Medicine, University of Pennsylvania, Philadelphia, PA, year 2013-current.

6. RESEARCH PROJECTS AND OFFICIAL RESEARCH GROUPS

Evaluation of a Synthetic Dog-Appeasing Pheromone to Control Perioperative Stress in Sheltered Dogs Undergoing Elective Surgery: a Haematological, Biochemical and Behavioural Study, *Department of Veterinary Medicine and Surgery, Autonomous University of Barcelona, Barcelona, Spain, 2004-2007*. Principal Investigator: Prof. Josep Pastor

Development of a Behavioural Test to Diagnose Separation Anxiety in Dogs. *Animal Science Department – Adaptation Physiology Group, Wageningen University, Wageningen, The Netherlands, 2005*. Principal Investigator: Prof. J. Van der Borg

Member of the **Wildlife Ecopathology Group**, *Autonomous University of Barcelona, Barcelona, Spain, 2006 – 2007*. Recognised by the Generalitat de Catalunya (Autonomous Government of Catalunya) with ID 00113, B modality. Director: Prof. Santiago Lavín

Analyses and Quantification of Factors Linked to Dog Aggression Toward Humans.

Istituto Zooprofilattico dell' Abruzzo e del Molise "Caporale", Teramo, Italy and Italian Health Ministry (IZS AM 07/06 RC), 2006 – 2007. Principal Investigator: Paolo Dalla Villa

Euthanasia and re-homing as options to control behavioral problems - frequency with which they have been considered by pet owners previous to the behavioral therapy, and their association with disposition of the dog after treatment. Department of Clinical Studies, School of Veterinary Medicine, University of Pennsylvania, Philadelphia, PA (812788, IRB#8), 2010-2011. Principal Investigator: Ilana Reiser

Study of the influence of two different forms of confinement in a shelter on dog welfare: analysis of the behavior and ematho-chemical responses. Istituto Zooprofilattico dell' Abruzzo e del Molise "Caporale", Teramo, Italy and Italian Health Ministry (IZS AM 07/06 RC), 2009-2010. Principal Investigator: Paolo Dalla Villa

Influence of Environmental Background and Behavior in Clinics on Diagnosis and Treatment Outcomes in Canine Behavioral Medicine Cases, Department of Clinical Studies, School of Veterinary Medicine, University of Pennsylvania, Philadelphia, PA, USA (816753, IRB#8), 2013-2015. Principal Investigator: James Serpell and Carlo Siracusa.

7. LANGUAGES

Italian: Native

English: Excellent -listening comprehension, speaking, reading and writing

Spanish: Excellent -listening comprehension, speaking, reading and writing

Catalan: Good -listening comprehension and reading

8. AFFILIATION TO PROFESSIONAL SOCIETIES AND NON-PROFIT ORGANIZATIONS

American College of Veterinary Behaviorists: Active Member
European College of Animal Welfare and Behaviour Medicine: Active Member
American Veterinary Society for Animal Behavior: Member
European Society of Veterinary Clinical Ethology: Member
American Veterinary Medical Association: Member
Philadelphia Animal Welfare Society: Board Member
Italian Professionals in Philadelphia, PI-Philly: Board Member

Il Presidente, quindi, ricorda l'art. 2 del *Regolamento relativo a visite di docenti o esperti operanti all'estero* (DR n. 741 del 27.03.2014) e invita il Consiglio di Dipartimento a pronunziarsi in merito all'opportunità di richiedere agli Organi Accademici Superiori il riconoscimento del titolo di *Visiting Researcher*.

Il Consiglio, esprime, all'unanimità, seduta stante, parere favorevole e invita il Direttore a trasmettere gli atti agli organi competenti.

OMISSIS

L'intero verbale viene, dunque, approvato e sottoscritto all'unanimità, seduta stante.
Non essendoci altro da discutere, la seduta termina alle ore 17.15
